New York 27, New York

Palmerton Publishing Company, Inc.
101 West 31st Street
New York 1, New York

2. Sources included in TT and not in CTS

Out of 67 sources in the Directory in TT, 54 are not included in CTS. The breakdown of these 54 sources is as follows:

American
Government - 2
Private - 18

Foreign
Government - 18
Private - 16

> What % of
data rec'd concern
Eng-lang trans

The same translations are included in both publications, and they are generated by the following Government agencies: AEC, Interior, NIH, NASA, JPRS, and Army, Navy and Air Force translations received through DDC.

The volume of the translations prepared by these agencies represents the greater part of the total Government translation output.
